Slip on your virtual traveling shoes and be transmitted straight to Rome from the comforts of our Canal Walk Ballroom for a fun, enthusiastic, and personal tour of its Jewish history and culture with our personal guide, Micaela Pavoncello. Micaela's Jewish family in Rome goes back over 2000 years, and she absolutely loves and knows the Piazza (Ghetto) – and its people, stories, and spirit. She knows everyone from the Chief Rabbi to the humble shopkeepers and leading chefs. And as an art historian, she is uniquely able to illustrate the journey of a community from ancient times to today!
